

# MISSISSIPPI PLAZA

Coming Summer 2012

Become a partner with the National Mississippi River Museum & Aquarium and have a presence in the Port of Dubuque by purchasing a **Mississippi Plaza Paver**.

The **Mississippi Plaza** will connect our two buildings—the William Woodward Mississippi River Center and the Diamond Jo National River Center—to create one comprehensive river campus here in the Port of Dubuque.

The Plaza will be complete in the summer of 2012, bringing full-circle the journey started in 2003, when the dream of the National Mississippi River Museum & Aquarium was finally realized and the milestone reached in 2010, when the National River Center opened.

Your personalized paver will make a meaningful gift to ensure your legacy lives on or to memorialize the legacy of a loved one.

Your paver will also create a successful path to the future for our community and for all those that the Museum & Aquarium educates and entertains every day.

*Paving a path to the future...*
