The River Adventure Summer Camp offers students a unique opportunity to learn about the Mississippi River and its inhabitants as well as the people who lived along its shores for generations. From the smallest streams to the largest rivers, our nation's waterways will provide students a gateway to explore, discover and learn more about the creatures and plants found in their own backyards, across America, and all the way to the oceans!

Let your children dive into our new facilities and exhibits for an engaging experience—*it's their ticket to summer fun!*
