HOW ARE GRANTS SELECTED?

Grants will be awarded on a first come, first serve basis and will be reviewed by our staff. Grants will continue to be awarded until funding has been depleted within the August 2017- June 2018 school year. Once funds are depleted, the grant cycle will end and notification will be posted on the National Mississippi River Museum & Aquarium's website.

HOW WILL I BE NOTIFIED IF I HAVE OR HAVE NOT BEEN AWARDED FUNDING?

We ask that you allow 3 weeks for the application process. This allows staff 1 week to process the application before booking your visit. All visits, regardless of scholarship status, must be booked 2 weeks in advance to receive group rate pricing and reserve staff for guided tours and educational programs. We will review and approve the application based on information provided on the form. Applicants will be notified of their award status via email.

HOW ARE GRANTS PAID?

Grant recipients will receive a check made payable to the school. Checks will be sent by US Mail. Reimbursement for travel (Bus Grant) will be paid after the field trip is completed and upon submission of transportation bill/receipt and paid account from the National Mississippi River Museum & Aquarium. This could take up to two weeks. Every effort will be made to process the scholarship in a timely matter.

AWARD TERMS & CONDITIONS

Completion of the scholarship application does not constitute a confirmed reservation. Confirmed reservations will be in the form of a contract and must be signed and returned.
